Radial offset drilling - milling head VDI30 OKUMA, ER25 (430E) IC

Internal coolant supply

Product.Nr. [47-SO-WVL2-30-25IK](#)

EUR 1.505,80

add. 19 % VAT [excl. shipping costs](#)

weight 2,00 KG

Radial offset drilling - milling head collet chuck DIN 6499
stepped coupling for OKUMA

- high precision
- coolant pressure up to 20 bar
- high precision capsulated bearings
- suitable for high spindle speed
