

Radial offset drilling - milling head VDI30 DIN 5480, ER25 (430E), IC

Radial offset drilling - milling head VDI30 DIN 5480,
ER25 (430E), IC

Product.Nr. [47-80-WVR-30-25IK](#)

EUR 2.028,00

add. 19 % VAT [excl. shipping costs](#)

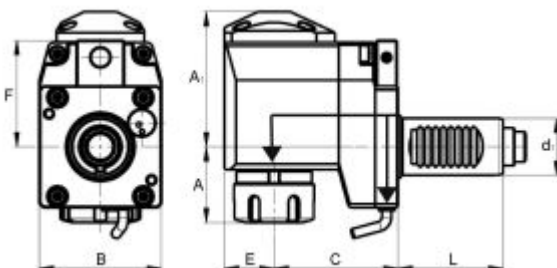

weight 6,00 KG

Image may differ in variants / sizes

Radial offset drilling - milling head collet chuck DIN 6499
For Sauter DIN 5480

- high precision
- coolant pressure up to 20 bar
- high precision capsulated bearings
- suitable for high spindle speed
